

An International Business Code of Conduct: Guidelines for Sustainable Global Competitiveness

Jana Wilhelm, Sullivan University and Bluegrass Community & Technical College
Paul G. Wilhelm, Kentucky State University

EXECUTIVE SUMMARY

This paper deals with one of the newest accounting standards requirements. All corporations are required to develop a code of conduct and to publish it. One of the problems international corporations are faced with is how to make a code of conduct that will have adequate consumer protections while translating it to an international audience.

Keywords: Accounting standards, Codes of conduct
