February 2020

To Whom It May Concern:

Please accept this letter of recommendation for Vania Mason. I have known Vania at Indiana University of Pennsylvania as a student in my classes.

During the fall 2019 semester, Vania was enrolled in my Digital Sports Production course, through which we produce live webcasts of IUP's Division II football and men's and women's basketball games. Through this course students are responsible for all aspects of the production, including all control room positions, camera operation, and on-air announcers. Vania worked as a camera operator and graphics operator for our fall semester football games and demonstrated she is able to take and follow direction.

In a short time, Vania proved to be a solid team player who was well-liked by the other members of our production team.

I am pleased to be able to recommend Vania for an internship or an entry-level production position. If I can provide additional information, please contact me.

Sincerely,

 **CONFIDENTIAL**
