To Whom It May Concern:

I recommend Vania Mason for a position with your organization because of her drive and positive attitude. I have known Vania for the past three years. She has worked with me as one of my students in several courses related to media aesthetics, media marketing, and online media production.

Ms. Mason completed my undergraduate online media production course. This course focuses on the production of a WordPress website, blog, and YouTube videos; there is a significant portion that also pertains to media marketing. Vania did an excellent job in this course and earned top marks. In fact, she consistently earns the highest grades in all of my courses, demonstrating a tremendous drive to learn diverse content such as media aesthetics, promotion, and marketing.

Vania is a very positive person! She works well in groups and individually and consistently contributes to class in a positive manner.

I am happy to further discuss Ms. Mason's qualifications. Please contact me at 724-840-8295 or at jlenze@iup.edu.
